Workforce Development Team

Social Services Directorate

Aims & Objectives :

This training covers the following topics, however this training is not “hands on” with regards to using fire extinguishers but does explain the appropriate use of these during the training session via video.

- Fire statistics
- Identifying sources of ignition
- Identifying sources of fuel
- Fire legislation
- Penalties
- Responsible persons
- Examples of fire risk assessments
- Examples of fire extinguishers and their use
- Checking and testing maintenance
- Fire evacuation problems
- Videos shown of outbreaks of fire
- Fire safety quiz
