

LSCB JOINT TRAINING

Local Safeguarding Children Boards (LSCBs) are statutory partnerships that have been set up to improve the effectiveness of working between agencies that protect children and young people. There is a LSCB established in each authority in Wales and the boards in Blaenau Gwent, Caerphilly, Monmouthshire, Newport and Torfaen have established a joint training sub group to coordinate safeguarding training across the five authorities.

LEVEL 2 TRAINING (Train the Trainer Programme)

Topic: Training for professionals to deliver Basic Safeguarding Children Training within their own agencies

Trainer: Linda Brown Named Nurse for Child Protection

Aims:

- To deliver training to professionals to enable them to deliver basic safeguarding training to fellow professionals in house.

We would expect professionals to have completed the standard Level 2 Safeguarding Training OR be of suitable confidence and knowledge to deliver safeguarding children training.

Target Group: All professionals and voluntary sector staff who work in the community with children and families such as Social Services, Probation, Health Boards, Police & Youth Offending Services. Attendees should have completed their level 2 training prior to attending this event.
