Workforce Development Team

Social Services Directorate

Aims and Objectives:

- To understand why it is necessary to complete medication training
- To realise the importance of maintaining the services user's privacy, dignity, independence and choice
- To be aware of the legislation surrounding medication
- To become familiar with the organisation's medication policies and procedures
- To be aware of the boundaries when assisting with medication
- To understand what you can and can't do in relation to medication

Dates available:

Tuesday 31st January 2012

Thursday 23rd February 2012

Thursday 29th March 2012
