

Garnfach School, Nantyglo

courtesy of Google Street view

Grid Ref: 319553 210055

Description:

The site is brownfield land and was formerly used as a school, which has since been demolished. It is located off Garn Cross Road Nantyglo and access to the site will be from Ffosmaen Road. To the south of the site lies a cemetery and to the north east and west are residential properties. The land is flat with some grass coverage. There are also some trees on site.

Delivery Considerations:

There are a number of trees on the site which will require a survey. The site is crossed by a public sewer which may restrict the density of the proposed development. Transport infrastructure improvements may be required to ensure developments are highly accessible.
