<p>Priority 1 - Maximise learning and skills for all to create a prosperous, thriving, resilient Blaenau Gwent</p>	<p>The Education Directorate is committed to providing high quality services to its citizens and uses various engagement methodologies in order to understand if the service is making the intended outcomes or if amendments to service delivery need to be considered</p>
<p>Priority 2 - Respond to the nature and climate crisis and enable connected communities</p>	<p>By placing provisions in much needed areas, it is recognised that it can support and connect communities in school for ALN pupils i.e. much needed revolving door and pupils being part of their school community.</p>
<p>Priority 3 - An ambitious and innovative council delivering quality services at the right time and in the right place</p>	<p>Effective engagement is crucial to ensure the Council runs effectively, the services delivered are appropriate and meet the needs of those that use them</p>
<p>Priority 4 - Empowering and supporting communities to be safe, independent and resilient</p>	<p>Blaenau Gwent Council, together with its fellow local authorities across Gwent, have worked with schools, not only to challenge racism and hate crime, but to also promote inclusion and celebrate the region's diversity</p>

Section 4-Well-being of Future Generations (Wales) Act 2015 – The Five Ways of Working (ICLIP)
Sustainable development principles. The WCFG Act requires the Council to consider how any proposal improves the economic, social, environmental and cultural well-being of Wales using the five ways of working as a baseline)

Five Ways of Working	How have you used the Sustainable Development Principles in forming the proposal?
<p>Long Tern</p> 	<p>Consider the long-term impact of the proposal on the ability of communities to secure their well-being.</p> <p>The proposal is aimed at creating a long term local solution for Pupils with ALN within the County Borough,</p>
<p>Prevention</p> 	<p>Consider how the proposal is preventing problems from occurring or getting worse</p> <p>The proposal is aimed at providing the right services for the right pupils in the right location preventing escalation of special school placements and keeping pupils in mainstream settings with the support they need.</p>
<p>Integration</p> 	<p>Consider how your proposal will impact on other services provided in our communities (these might be Council services or services delivered by other organisations or groups)</p> <p>It is important for pupils who present with ALN needs are integrated into mainstream setting enabling them to thrive along with the peers.</p>

<p>Collaboration</p> 	<p>Consider how you are working with Council services or services delivered by other organisations or groups in our communities.</p> <p>Education Transformation team and Inclusion Service have worked collaboratively to ensure pupils have the provision they need to thrive.</p>
<p>Involvement</p> 	<p>Consider how you involve people who have an interest in this proposal and ensure that they represent the diversity of our communities.</p> <p>All interested parties will be consultees in this process if approved.</p>

<p>How does your proposal link to the Welsh Governments Priorities for Wales? Please indicate below.</p>	
<p>1. A PROSPEROUS WALES ... an innovative, productive and low carbon society which recognises the limits of the global environment and therefore uses resources efficiently and proportionately (including acting on climate change); and which develops a skilled and well-educated population in an economy which generates wealth and provides employment opportunities, allowing people to take advantage of the wealth generated through securing decent work.</p>	<p>Having localised resource bases for pupils who need this intervention will reduce travel and transport costs and contribute to a low carbon society.</p>
<p>2. A RESILIENT WALES ... a nation which maintains and enhances a biodiverse natural environment with healthy functioning ecosystems that support social, economic and ecological resilience and the capacity to adapt to change (for example climate change). Think about how your activity will have regard to protecting and enhancing biodiversity.</p>	

See above
<p>3. A HEALTHIER WALES ... a society in which people’s physical and mental well-being is maximised and in which choices and behaviours that benefit future health are understood.</p>
<p>This supports pupils mental well-being by not having to travel potentially out side of the County Borough for their Education.</p>
<p>4. A MORE EQUAL WALES ... A society that enables people to fulfil their potential no matter what their background or circumstances (including their socio economic background and circumstances).</p>
<p>There will be more options for parents to consider based on their child’s schooling. English medium, Faith Based and Welsh-medium.</p>
<p>5. A WALES OF COHESIVE COMMUNITIES ... attractive, viable, safe and well-connected communities.</p>
<p>Enables pupils to feel connected to their communities weather this is mainstream school or local area rather than being education out of county.</p>
<p>6. A WALES OF VIBRANT CULTURE AND THRIVING ... a society that promotes and protects culture, heritage and the Welsh language, and which encourages people to participate in the arts, and sports and recreation.</p>
<p>This proposal will enable Welsh-medium pupils to access ALN provision via the medium of Welsh in a Welsh-medium school and continue to be involved in the mainstream activities such as the Urdd and sports via the medium of Welsh.</p>
<p>7. A GLOBALLY RESPONSIBLE WALES ... a nation which, when doing anything to improve the economic, social, environmental and cultural well-being of Wales, takes account of whether doing such a thing may make a positive contribution to global well-being.</p>
<p>Promoting the opportunities for 1m speakers by 2050.</p>
