- Notes**
1. For general notes refer to drawing DRAGON-ARUP-XX-XX-DR-C-200001.
  2. Proposed layouts are based on the structural layout reference DRAGON-ARUP-ZZ-GF-MR-S-000010 (Rev P10) and architectural layout DRAGON-ARUP-ZZ-M3-A-000001.
  3. Refer to Architectural drawings for proposed pedestrian fencing and barriers within the site.

Updates are expected to the structural and architectural layouts within these areas which have not been captured. These are expected to have minimal impact to the proposals shown and it is considered that the details shown on the drawings listed are sufficient for the RIBA Stage 3 design stage. Any changes are proposed to be picked up during RIBA Stage 4 design.

DCWW temporary access maintained to April 2023, long term access solution will need to be developed with DCWW/CINER at next stage

Retaining wall may require protection such as a kerb island. To be reviewed in subsequent design stages

Exact junction location to be confirmed following Road Safety Audit and discussion with Local Authority
