

Transform your home with ECO4

We partnered with Blaenau Gwent County Borough Council and EDF to help eligible households improve energy efficiency and comfort

We are thrilled to announce our partnership, which enables us to help you take advantage of the ECO4 scheme! If you own or privately rent your home and have an Energy Performance Certificate (EPC) rating of E, F, or G, you may qualify for funding if you meet one of the following criteria:

- You receive welfare support, or
- You have a household income of below £31,000, or
- You have a qualifying health condition, e.g. cardiovascular, respiratory, immunosuppressed or limited mobility.

For Off-gas Homes

For homes which are currently **off-gas** and heated by electric, solid fuel, LPG or oil, typical funded measures can include:

- ▶ Cavity or solid wall insulation
- ▶ Loft insulation
- ▶ Room in roof insulation
- ▶ Solar PV installation
- ▶ Renewable heating measures such as air source heat pumps & hybrid air source heat pumps

For Gas-Heated Homes

For homes that are currently heated by **gas**, similar improvements may be available, subject to the following additional criteria being met

- ▶ Your existing gas boiler must be a back boiler or floor standing boiler, or
- ▶ Your existing gas boiler would be typically at least 18 years old, or
- ▶ Your existing boiler is a non-condensing boiler (has a hot water tank)

Apply for funding online today!

To find out if you're eligible for funding, simply scan the QR code to complete a quick survey, submit your application, and take a step towards a warmer, cosier home!
