I have received a copy of CCW's revisions to its statement of common ground with the Council. A copy of this has been placed on the examination website (Ref ED.21). [http://www.blaenau-gwent.gov.uk/documents/Documents\\_Environment/ED.21\\_CCW\\_Review\\_SOCCG.pdf](http://www.blaenau-gwent.gov.uk/documents/Documents_Environment/ED.21_CCW_Review_SOCCG.pdf)

I invite the Council to review the revisions and incorporate responses to as many of these additional points as it feels necessary in its statements for sessions 1, 6, 7 and 13. I will make some time at the end of Session 20 (10 July 2012) to check the Council's responses to any of CCW's fifteen points not covered in its statements.
