Dear Sir/Madam

## **CONSULTATION ON MATTERS ARISING CHANGES DURING EXAMINATION HEARINGS**

The hearing sessions for this examination have now closed and the Inspector is preparing his report.

The Council agreed to make a number of amendments to the LDP during the hearings. These comprise a number of "Matters Arising Changes" which the Council consider to be necessary to make the LDP sound and other minor changes which correct errors or clarify how policies will be applied. You are invited to write to the Inspector and let him know whether these Matters Arising Changes raise any new matters that would affect the soundness of the LDP. All comments in respect of these changes must relate to the soundness of the LDP – no other matter – and must be sent to me at the address above.

You can e-mail or post your comments. The cut off deadline for any submission is **0900 hours on Wednesday 19 September 2012**. The Inspector will review any additional comments received before finalising his report. You should assume that he has already taken account of all other comments received so there is no need to repeat what you have already written.

Copies of the Matters Arising Changes and the track change version of the Plan which incorporates the Focussed Changes made before it was submitted for examination can be viewed on the Council's website <http://www.blaenau-gwent.gov.uk/environment/18765.asp>

Copies of these documents are available for inspection, during normal office hours, in all local libraries, Town Council Offices, Communities First and Development Trust Offices and at the following Council offices:

- Council Municipal Offices, Civic Centre, Ebbw Vale, NP23 6XB.
- Business Resource Centre, Tafarnaubach Industrial Estate, Tredegar, NP22 3AA.
- Planning Control, Council Offices, High Street, Blaina NP13 3XD
- Anvil Court, Church Street, Abertillery, NP13 1DB

Yours sincerely
