## General Guidance Notes

You may choose to submit either the 'Full Plans' or 'Building Notice' option for new building work however the 'Building Notice' option cannot be used where:

- a) The building is a 'designated use' under the Fire Safety Regulatory Reform Order which includes offices, shops, factories and hotels and/or is a workplace subject to the Fire Precautions (Workplace) Regulations 1997 to enable consultation with the fire authority.
- b) The building work is over or near a public sewer.
- c) The application is for the construction of a new dwelling.

Both methods are inspected on site to ensure compliance with the Building Regulations.

***The Regularisation Option is to be used for work that has already been carried out on or after 11/11/1985***

### **Full Plans Applications:-**

- One copy of this form should be completed and submitted with the appropriate fee and one copy of detailed plans, including full constructional specifications and site plan.
- Please note that if works proceed before a formal approval is given, then this is carried out at your own risk. It may be necessary at a later stage to alter parts of the building work/fittings in order to comply with the Building Regulations 2010

### **Building Notice Applications:-**

- One copy of this form should be completed and submitted with the appropriate fee and a **site plan** to a scale of of 1:1250 or 1:500 to show drainage details and boundaries of site. Additional information may also be requested, e.g. Engineer's calculations.

### **Regularisation Application:-**

In accordance with Building Regulation 18 (2), the council may require the applicant to take reasonable steps, including laying open the unauthorised works for inspection, making tests and taking samples as the authority think appropriate to ascertain what work, if any, is required to secure compliance with the relevant legislation. The Regularisation charge payable in respect of the works carried out is an amount equal to 1.5 x the total charge payable in accordance with the appropriate table.

### **The Party Wall Act 1996:-**

Some works in relation to party walls could invoke proceedings under The Party Wall Act 1996, you should understand these requirements prior to undertaking such proposals.

### **Completion Certificates**

Completion certificates will only be issued when an appropriate electrical safety certificate (where applicable) has been received and the relevant Building Regulation charge has been paid in full.

### **Regulations**

These notes are for general guidance only; Full particulars regarding the deposit of the applications are contained in Regulation 12, 13, 14, & 18 of The Building Regulations 2010 and correspondingly in relation to Building Regulation fees the Building (Local Authority Charges) Regulations 2010.
