Thomas found out about the Litter Champion scheme after visiting his local recycling centre in Ebbw Vale and has been actively litter picking within the Beaufort ward for just over a year.

Thomas's mother, Helen said, "Litter Picking helps Thomas to focus and has proved beneficial for his Autism".

Keep up the great work, Thomas.

CONGRATULATIONS THOMAS!

We would like to say a big congratulations to 17 year old Thomas Cantle of Ebbw Vale who was presented with a certificate and award on Friday 18 March for his outstanding contribution to the Blaenau Gwent volunteer Litter Champion scheme.
