

**BLAENAU GWENT COUNTY BOROUGH COUNCIL
LOCAL DEVELOPMENT PLAN EXAMINATION**

Request for information: INSP 002

Inspector: Vincent Maher MA (Cantab) MCD MSc MBA MRTPI

The Inspector would be grateful if the Council could respond to the following questions relating to car and cycle parking standards:

1. What policies or standards does the Council currently apply when assessing the car and cycle parking standard required associated with different forms of development?
2. What is the status of the Supplementary Planning Guidance (SPG) on Access, Car Parking and Design that is referred to in Policy DM01? Has the SPG been the subject of public consultation? If the document has not been adopted as Council policy, when does the Council intend to adopt it?
